all too often the experience of users of family therapy is neglected in the theory and practice of family therapy as well as in the literature itself in introducing user friendly family therapy the authors describe in detail how the results of an action research project helped the professionals involved to modify their practice they draw out the implications of the research for providing a genuinely user friendly service and set the arguments for a more humanistic approach in the wider context of contemporary social policy thought provoking and practical in emphasis this book places the user at the centre of the stage and insists that family therapy can only flourish if it becomes genuinely empowering and user friendly

amazon best books of 2019 pick fortune writers and editors recommended books of 2019 pick user friendly is a tour de force an engrossing fusion of scholarly research professional experience and revelations from intrepid firsthand reporting edward tenner the new york times book review in user friendly cliff kuang and robert fabricant reveal the untold story of a paradigm that quietly rules our modern lives the assumption that machines should anticipate what we need spanning over a century of sweeping changes

from women's rights to the great depression to world war ii to the rise of the digital era this book unpacks the ways in which the world has been and continues to be remade according to the principles of the once obscure discipline of user experience design in this essential text kuang and fabricant map the hidden rules of the designed world and shed light on how those rules have caused our world to change an underappreciated but essential history that's pieced together for the first time combining the expertise and insight of a leading journalist and a pioneering designer user friendly provides a definitive thoughtful and practical perspective on a topic that has rapidly gone from arcane to urgent to inescapable in user friendly kuang and fabricant tell the whole story for the first time and you'll never interact with technology the same way again

general description of the evaluation of user friendliness and a methodological approach to it the report gives an overview of its characteristics specifies the conditions of application by distinguishing two ways of addressing the tool user interface and then defining the tool task user organizational dynamics set presents a naturalistic approach to assessment and describes evaluation methods
